Role of Education in Empowerment of Marginalized

Session by Psychologist
Dr Jaya Sukul

We hosted a group session with 27 mothers at our Ishya Learning Centre in Chhalera village, Noida. The topics covered included behavioral changes, decision making, emotional management, and concentration techniques.

We also hosted individual sessions with 10 students. Tailored approaches for children focused on emotional navigation and understanding their thoughts and feelings. Ishya believes in supporting individuals with mental health challenges to lead fulfilling lives.

Successfully launched Project Udaan raising funds for education of 15 children

This project aims to make formal education accessible to students who are unable to attend school due to financial limitations.

Individual donors have been secured to sponsor each of these 15 children, who are now being enrolled in Moolchand Chauhan Public School in different classes according to their age and abilities.

Ishya celebrated National Science Day on 28th Feb

On National Science Day, we engaged our students in exciting projects to stimulate their minds. Younger students explored the concept of objects floating and sinking, while the elder students focused on creating a working model of the lungs. The day fostered experimentation and learning, sparking curiosity in the kids.

Parent Teacher meet at ILC

We organized a meeting with 26 mothers to discuss the importance of education for their children. We had conversations with the mothers including exchanging ideas and suggestions leading them to understand our elevated commitment to provide a promising future to their children through education.

Celebration of Basant Panchami

On this joyous occasion, 87 children came together to honor Goddess Saraswati. The children sang songs, performed pujas, and took part in the Aarti ceremony. At the end, sweets distribution of the prasad symbolised blessings for creativity and education.
