Women Empowerment Session at ILC

A successful training session related to awareness on social schemes, self entrepreneurship & benefits of Self help groups in association with National cooperation Union of India and Institute of Social Responsibility & Accountability was organised. Over 60 women attended this program viz. appreciated for this initiative.

Environment day celebration

We celebrated World Environment day at Ishya learning centre with 93 children.

Our children actively participated in a tree-planting activity, nurturing saplings in pots, learning about the importance of conservation and sustainability.

To commemorate this special day, founder of Ishya Foundation Ms. Shalini Gupta, also motivated our young children by being a part of the plantation drive. We distributed Ishya Learning Centre T-shirts to our young environmentalists.

Summer Camp at ILC - 1st to 17th Jun '24

The camp was a vibrant learning experience for our children. During 1st week, Balvatika featured activities like Zumba, dance, playing ice pass, having fruits party, art & craft, fashion show and ended up with prize distribution. In the 2nd week, our young learners engaged in dance, paper bag making, tea coaster and bottle art, hangings etc.

Summer activities were designed basis on empowering & settling up the children with cognitive development, extra curricular activities, enriched analytical & problem solving skills in various disciplines.

Celebration of World Ocean Day

Conducted an awareness session highlighting statistics and facts about plastic pollution and a sustainable life.

We have screened a movie named "Moana" to our children which was based on ocean's life and they have thoroughly enjoyed this day at Ishya Learning centre.

Sustainable Initiatives

Our collective efforts in the recent waste collection drive have earned us a special recognition from One Step Greener NGO. We've been awarded a certificate for the submission of 15 kg of dry waste. By participating in this initiative, we've collectively saved one tree and conserved a remarkable 393 liters of water.
