Plastic Waste Collection Drive

At Ishya Learning Centre, we've launched a special initiative where children pay their monthly fee by collecting plastic waste, thereby contributing to the environment. This initiative not only instills a sense of community responsibility but also imparts lessons on sustainability to children from an early age.

Community Awareness Session on Social Protection Schemes by Lawyer Ms. Ritu Mehra

On April 27th, Lawyer Ms. Ritu Mehra hosted an educational session to raise awareness about social protection schemes. The event targeted residents of Chhalera Village and nearby slums.

A total of 53 individuals actively engaged with Ms. Ritu Mehra's informative presentation, gaining valuable insights. The session aimed to educate the community about different social protection schemes, equipping them with knowledge and resources to access vital support systems.

Social Protection Schemes Session

RamNavmi and Eid celebration

At Ishya Learning Centre, we celebrated RamNavmi and Eid with the children, promoting cultural exchange and unity. These festivities offered the children an opportunity to explore diverse cultures and traditions while imparting values of respect and acceptance. We believe that such experiences contribute to a more inclusive community.

Sponsored school education for 16 students under Project Udaan

16 children have successfully embarked on their educational journey after receiving sponsorship for their school fees. These children, who were previously unable to attend school due to financial limitations, are now enrolled in Moolchand Chauhan Public School. Each child has been placed in a class that aligns with their age and abilities, ensuring they receive the necessary support and resources to thrive academically.

Earth Day

Six children from our center actively participated in Earth Day events organized by the Government of Jammu and Kashmir at the Resident Commission in New Delhi. The day was marked by a drawing competition aimed at raising awareness about environmental conservation.
