Launched Project Kushal Sakhi – Training programme to empower women

From July 15th, Ishya Foundation hosted a training program for 22 women in macramé and crochet. This 15-day course taught essential skills for creating intricate products, enhancing crafting abilities, and increasing livelihood opportunities by providing skill development training and certification. The program aims to upskill over 80 women by next year.

Sponsored Education for 10 more children under Project Udaan

We have successfully enrolled ten children in Phase 2 of Project Udaan, marking a significant milestone as they begin their formal schooling journey. The project continues to provide vital educational support, transforming lives through access to quality education. Individual donors have been secured for each student to cover their educational expenses.

This sponsorship program, started in April 2024, assists needy children whose families face financial issues and fall under the BPL category. Eighteen students have already started attending school under Phase 1 of this project.

Sponsored and Enrolled 10 students for Open Schooling

Our new Open Education Program is designed to provide vital educational opportunities for children who have faced financial challenges or have never been enrolled in formal schooling.

This initiative targets students from Class 3rd to Class 12th and offers a flexible learning pathway through Open Basic Education (OBE) and the National Institute of Open Schooling (NIOS).

Celebration of Kargil Shaheed Diwas

On July 26th, we celebrated Kargil Shaheed Diwas, a poignant occasion to honor the valiant soldiers who sacrificed their lives during the Kargil War to safeguard our nation. Their bravery and selflessness stand as a testament to their unwavering dedication to our country.
